

Supplier Code of Conduct

1. Introduction

Egan Manufacturing expects all suppliers to adhere to high standards of ethical, environmental, and social responsibility.

2. Labor & Human Rights

Suppliers must prohibit forced labor, child labor, discrimination, and ensure safe working conditions.

3. Health & Safety

Suppliers must provide safe workplaces, proper training, and emergency preparedness procedures.

4. Environmental Responsibility

Suppliers should minimize waste, reduce emissions, and comply with environmental laws.

5. Ethical Business Conduct

Suppliers must avoid corruption, bribery, conflicts of interest, and maintain accurate records.

6. Supply Chain Transparency

Suppliers must disclose subcontractors and maintain traceability of materials.

7. Compliance & Audits

Suppliers must cooperate with audits, provide documentation, and take corrective actions.

8. Reporting & Whistleblowing

Suppliers must provide channels to report misconduct without retaliation.
